To prevent MC email from going to your SPAM folder:

Click the cog on the upper right of your gmail/mcmail screen

Click on **See all settings**

Click on *Filters and Blocked Addresses*

Click on *Create a new filter*

In the **From** block, type in mc.edu AND –(*youraddress@mc.edu*)

(don't literally type in youraddress@mc.edu. Type in your email address)

Click the Continue button

Check the box **Never send it to Spam**

Click the "Update filter" button
