

## Acknowledgment Regarding Duty to Supply Transcript

I understand that Mississippi College School of Law has not received an official transcript from my undergraduate degree-granting institution, that holding an undergraduate degree is a requirement for my enrollment in law school, and that I must supply an official transcript in order to remain enrolled as a student in the law school.

I certify that I have completed all coursework necessary to receive an undergraduate degree from \_\_\_\_\_, that I have received such degree prior to enrollment in Mississippi College School of Law and that an official transcript will be forthcoming.

I also understand that if my official transcript has not been received by the law school by **Friday, September 6, 2024**, that I will not be allowed to continue to attend classes and that my admission to law school may be revoked at any time thereafter at the discretion of Mississippi College School of Law.
