

Room 205/215 Instructions

Turning the System ON

- Turn on the TV with the TV remote located in the room.
- Attach one of the “pucks” to a USB C port on your laptop (no computer in the room).
- Wait for the puck to turn a solid color (not blinking) and press the button on the puck.

Note: two computers can share the screen by using both pucks in that room. When the non-active computer wishes to take over the screen, simply press the button on that puck.

Turning the System OFF

- Unplug the puck from laptop.
- Turn off the TV with the TV remote using the “Power Off” button on the remote.

Zoom Notes

Select the “Room microphone” and “Room camera” if needed.

If the microphone doesn’t work, you may need to go to “Settings” on your computer and search for Microphone Privacy. Allow access AND Let apps access your microphone.

If the camera doesn’t work, you may need to go to “Settings” on your computer and search for Camera Privacy. Allow access AND Let apps access your camera.
